Question 1. Baxter is questioning the quantity of devices available for Trade in. Please clarify. Baxter records show Lease 2098 and 2224 are operating leases, therefore title remains with Baxter.

Lease 2098	16	2M8151	Colleague single
	12	2M8153	Colleague triple
	10	2M8063	FloGard 6201 single
Lease 2224	7	2M8063	FloGard 6201 single

Hardware tracking does show San Joaquin purchased 2 Colleague Triple Channels, that can be traded in to Baxter for trade in/remuneration.

Answer 1. SJGH currently owns two pumps; serial numbers 11110534CT and 11110559CT, which are available for trade-in.

Question 2. Please confirm you would like Baxter to bid GPO Novation pricing.

Answer 2. County is not in a position to advise vendors on how they are to submit bids.
